You want Good County Government, don't you? The only way to get it is to elect Good Officers. It is your duty to yourselves as taxpayers to know positively which one of the candidates for the nomination for ounty Attorney will give the best service for the money paid him. It is a business proposition strictly--not a matter of sentiment, friendship or close acquaintance. You want a lawyer that has had the proper training and experience and who is honest and energetic.

Which Candidate's Record Is THE BEST? If that of any other is better than mine vote for him. If mine is best vote for me and I appreciate it. J. J. GREENLEAF.
